GRANTS 2018-2019

Project title:

**BUDGET:** Rocket Grants will award **UP TO \$6,000** to selected artists or artist groups. Please check here if you do **NOT** wish to be considered for a \$2,000 Research and Development Grant  (see instructions)

Please include projected expenses, anticipated income (if any), and your total project budget. For anticipated income, indicate if you have applied for, secured, or anticipate additional funds for this project and list amounts and potential sources. If your project relies on additional sources of income not yet secured, please explain how the scope of the project will change if that income is not secured. Budget may include in-kind contributions. **Please make sure that expenses = income + in-kind.** See <http://rocketgrants.org/resources/faq/budget/> for more information.

You may look at the .doc version of this budget to see some suggested line items for your own budget, but you can alter these so they best fit your project. If you are filling out by hand, scan this and save it as a .pdf for upload.
