WHAT IS THE MINI VINNIE BINI??

Collaborative artists Megan Mantia and Leone Anne Reeves who operate under the pseudonym BLANKET have received a Rocket Grant to bring the bi-annual European art exhibition, The Venice Biennale, to Kansas City. Hosted in Venice, Italy, the Biennale is the largest and most important contemporary art exhibition in the world and features the work of artists from 89 countries. After thoroughly documenting the Biennale in July, BLANKET is now preparing a massive recreation of the exhibition to be installed in, on, and around venues in Kansas City, KS and Kansas City, MO. The exhibit, titled "Mini Vinnie Bini," will be free and open to the public from Oct. 1, 2015 thru Jan. 1, 2016. Stay tuned for pieces unveiled throughout + free public programs at -
